

ASP

becomes

IFETURA-eu

From now on all our activities carried out in Europe, Asia and South America will be gathered under the banner IFETURA.

IFETURA, that has already been the name of the group's holding, will ensure the sales and marketing of the products manufactured by the several production units.

Sales and marketing will be ensured by IFETURA-eu in Europe, IFETURA-as in Asia and IFETURA-am in South America.

Christian ALLEMANN,
Manager
